Nut Statement

To the best of our knowledge, all products produced by Scobie & Junor do not contain any nuts or nut derivatives. However, we cannot guarantee that they are nut free. For more information please see our Nut Policy. Scobie & Junor (Estd. 1919) Ltd takes all reasonable precautions to ensure the quality of our seasonings, mixes and functional blends.

Allergenic Ingredient Policy

All materials are purchased from approved suppliers against a detailed specification, which clearly indicates the presence or absence of various ingredients.

Sieving

All raw materials are sieved with appropriate screens for each particular raw material prior to the blending of the product.

Labelling

Product label will contain Product Code, Product Name, Best Before Date and Batch Number.

Storage/Transport

Cool dry ventilated conditions avoiding direct heat or sunlight. Stored off the floor and not in contact with walls or ceilings.

Health Hazard

This product is designed for human consumption and when used in accordance with our recommendations should be safe for that purpose.

Fire Hazard

Avoid ingestion or inhalation of dust when handling. This product may present a fire hazard or explosion hazard when dispersed in air. Fires are readily extinguished with water or foam.

Handling

Use in a well ventilated area.

Spillage/Disposal

Spillage: Remove powder to a disposal container, wash contaminated area with detergent and water.

Disposal: In accordance with the control of pollution act 1974.

Emergency First Aid Procedures

Skin Exposure: Normal standard of hygiene and regular washing with water should prevent irritation.

Eye Exposure: Wash with water until irritation ceases. Seek medical advice if above is not observed.

Inhalation: Remove person to fresh air.

IN ALL CASES IF ADVERSE EFFECTS PERSIST OBTAIN MEDICAL ADVICE

Legislation & Warranty Statement

The product will be produced in accordance with all current relevant EU Legislation. The information provided is given in good faith and is based upon the product data supplied by the raw material suppliers.

All additives used in this product comply with the requirements of regulation (EU) No. 231/2012 laying down specifications for food additives.

Confidentiality

This specification and the information contained within it remains the property of Scobie & Junor (Estd. 1919) Ltd and must not be disclosed to any third party without the prior written consent of Scobie & Junor (Estd. 1919) Ltd.

| Customer Approval of Specification | |
