Enter your own costs for each ingredient and the batch or portion cost is calculated.

## Download or Print

All available to download or print for your shop.

## Full nutritional panel

We automatically generate for fresh pre-packed & ready meals a nutritional panel that complies with the European directive which comes into effect on the 13th December 2016. This states that all pre-packed food must by law have a nutritional panel per 100g of finished product. To save you money on analysis we have provided this for you for each of our recipes.
