Product Specification

Item #	ID270190
Description	LAMB SHANK CAP EXTENDED 440MU TUFF 5,000/BOX
Unit	BOX
Pallet Qty	20
Product Category	44100 Shank & Rack Caps
Unit Weight	5

Specification Details

Materials Used: Virgin Polymers
Storage: At ambient temperatures in clean dry areas.

Product is not suitable for use at temperatures above 100Â°C, or for microwave use, but is suitable for freezer temperatures ranging from -40Â°C to 35Â°C.

Product is shipped in sealed cartons with plastic bag liners.

This product is made from low density polyethylene material and complies with all relevant legislation detailed below.

This grade is 100% recyclable as LDPE 4.

Scobie & Junor guarantee that all plastic materials used in the manufacture of flexible packaging products, which are specified for food contact use in the food processing industry, meet with Framework Regulation (EC) No. 1935/2004 of the European Parliament, Regulation (EC) No. 2023/2006 and Regulation (EU) No. 10/2011. It also complies with the Plastic Materials and Articles in Contact with Food (Scotland) Regulations 2009.

They also comply with the relevant sections of the current USA Code of Federal Regulations Title 21, Parts 170â€"199 and may therefore be used in articles intended to contact food at or below cooking temperatures (including freezer temperatures), provided the article is technically suitable for the intended use.

In addition, we comply with all amendments to the above regulations.

In addition to the above legal requirements, Scobie & Junor are certified to the BRCGS Global Standard â€" Food Packaging and Other Packaging Materials (Issue 7).

MSDS

Thermoformed materials are recyclable and do not cause harm to the environment. They contain no CFC's or heavy metals such as Pb, Ba, Cd, Ag, Se.

Storage	Products should be stored in a clean cool dry place, not in direct sunlight, and at room temperatures not exceeding 25 degrees C.
Health Hazard	The products ought to be covered to prevent any risk of contamination
Fire Hazard	This product may burn. Fires are readily extinguished with water or foam.
Disposal	In accordance with the control of pollution act 1974.
