Product Title	CUMBERLAND SAUSAGE SEASONING 10KG PAIL
Product Code	SE22292
Product Description	<p>Traditional Cumberland sausage with an abundance of pepper, sage, parsley and thyme.</p> <p>Cumberland Sausage Seasoning is a traditional blend of spices specifically tailored to complement the distinctive flavour profile of Cumberland sausage, a celebrated variety originating from the northwest of England. This seasoning is crucial in creating the authentic, rustic taste that Cumberland sausage is renowned for, characterized by its coarse texture and circular shape.</p> <p>The key components of Cumberland Sausage Seasoning typically include black pepper and white pepper, both of which lend a robust, pungent heat that is instantly noticeable upon tasting. This peppery foundation is balanced with the earthiness of sage and the mild, pine-like notes of nutmeg and mace, which add depth and complexity to the meat's flavour.</p>
