Product Title LINCOLNSHIRE SAUSAGE SEASONING 1KG PACK

**Product Code** SE24101

A time honoured favourite sausage, loaded with sage and ground black pepper.

Lincolnshire Sausage Seasoning is an essential component in crafting the traditional Lincolnshire sausage, a beloved British delicacy known for its robust herbaceous flavour and coarse-ground texture. Originating from the historic county of Lincolnshire in England, this sausage is distinctive for its high sage content, which sets it apart from other regional sausages.

**Product Description** 

The primary ingredient in Lincolnshire Sausage Seasoning is sage, which dominates the flavour profile with its strong, slightly peppery taste. Sage's prominence is complemented by the inclusion herbs that add depth and complexity with their earthy and slightly floral notes. These herbs collectively create a richly aromatic experience that enhances the natural savouriness of the

pork.
