PRODUCT SPECIFICATION

Product Title ANGUS BEEF SAUSAGE SEASONING 10KG PAIL

Product Code SE12070

Our Angus Beef Sausage Seasoning is an old classic Scottish seasoning, loaded with pepper and complemented with nutmeg and ginger - one of our most popular

seasonings.

Seasoning blends for sausages are pivotal in the art of making sausages, offering a selection of herbs, spices, and flavours that significantly enhance the taste

profiles of various sausages. These concoctions range from classic mixes such as sage, thyme, and black pepper for traditional pork sausages to bold, innovative combinations like paprika, garlic, and fennel for Italian or chorizo variants.

Selecting the ideal blend of seasonings is vital for crafting a sausage with a unique

flavour, aroma, and distinction that sets it apart in the gastronomic world.
