PRODUCT SPECIFICATION.

Product Title	HOT SWEET CHILLI SAUSAGE SEASONING 1KG PACK
Product Code	SE24310
Product Description	Succulently sweet, tangy and very spicy! Not for the faint hearted! Central to this seasoning mix are chilli pepper flakes, which provide the primary heat source. These chillies flakes contribute a sharp, pronounced heat that forms the backbone of the seasoning's character. Complementing the heat is a sweetness derived from ingredients like sugar. This sweetness not only balances the fieriness of the chillies but also enhances the deeper, more savoury flavours of the sausage meat. The combination creates a mouth-watering contrast that is both enticing and satisfying.
