Product Title TRIPLE TREAT MEXICAN SAUSAGE SEASONING 1KG

Product Code SE24306

Triple Treat Mexican Sausage Seasoning 1KG

Loaded with 3 different chillies, this really is a sausage for those who like it hot, hot, hot!

At the heart of Mexican Sausage Seasoning are chili pepper flakes, which provide both heat and a deep, robust flavour. These chillies flakes form the base of the seasoning, ensuring that each sausage delivers a warm, complex taste profile.

Complementing the chili peppers are cumin and coriander, two spices essential to Mexican cooking. Cumin offers a nutty, peppery flavour that pairs excellently with the richness of meat, while coriander brings a light, citrusy note that brightens the overall flavour palette. Ground paprika is added to enhance the depth and richness, providing a savoury backbone that is unmistakably hearty.

Product Description

Minced green and red peppers adds another layer of flavour with its aromatic, slightly bitter characteristics.

To balance the heat and complexity of the spices, a touch of sugar is included to round out the sharpness, making the sausage more palatable and adding a subtle sweetness that contrasts nicely with the spices.

Salt is, of course, a crucial component, acting as a flavour enhancer and preservative for the sausage meat. This Mexican Sausage Seasoning blend is versatile and can be used not only for making sausages but also for seasoning meats in tacos, burritos, and other Mexican dishes, providing a convenient way to bring authentic Mexican flavours into any kitchen.
