

Product Specification

Item Code: ID270198

Description: LAMB SHANK CAP EXTENDED 280MU CLEAR 5,000/BOX

Usual Application: Lamb Shank

Materials Used: Virgin Polymers

Storage: At ambient temperatures in clean dry areas.

Product is not suitable for use at temperatures above 100°C, or for microwave use, but is suitable for freezer temperatures ranging from -40°C to 35°C.

Product is shipped in sealed cartons with plastic bag liners.

This product is made from low density polyethylene material and complies with all relevant legislation detailed below.

Scobie & Junor guarantee that all plastic materials used in the manufacture of flexible packaging products, which are specified for food contact use in the food processing industry, meet with the framework regulation (EC) No. 1935/2004 of the European Parliament, Regulation (EC) No. 2023/2006 and Directive 10/2011/EC. It also complies with the Plastic Materials and Articles in Contact with Food (Scotland) Regulations 2009.

They also comply with the relevant sections of the current USA Code of Federal Regulations Title 21, parts 170-199 and may therefore be used in articles intended to contact food at or below cooking temperatures (including freezer temperatures) provided the article is technically suitable for the intended use.

In addition, we comply to all amendments to all the above regulations.

In addition to the above legal requirements Scobie & Junor are accredited to the BRCGS Global Standard – Food Packaging and Other Packaging Materials (Issue 6).

Customer Approval of Specification	
Please sign and return this specification to technical@scobie-junor.co.uk to confirm formal acceptance of this specification. All specifications issued will be deemed to be accepted if no communication to the contrary is received after 10 working days.
