While we have taken all reasonable steps to verify the accuracy of the information contained in this specification, no warranties are given to this effect and purchasers should determine for themselves whether products are suitable for their own specific use. The information contained in this specification is intended for the customer it has been issued to. It must not be reproduced, or the information contained therein passed on to any third party without the written consent of Scobie & Junor.

Product Specification

All materials used in the manufacture of food grade or high risk products, from Craigavon Plastics Ltd, comply with the requirements of EC 1935/2004; EC regulation 10/2011 and its amendment; EC regulation 1282/2011, relating to plastics, material and articles intended to come into contact with food. A full declaration of compliance is available on request.

Our products are produced under conditions which satisfy the requirements of the British Retail Consortium (BRCGS) Global Standard for Food Packaging and Other Packaging Materials (Achieved Grade AA). A copy of our certificate is available on request.

This specification is valid for 12 months from the date of this document, or until such time a significant change should occur in legislation. Product specifications will not be changed without your prior approval.

Customer Approval of Specification	
Please sign and return this specification to technical@scobie-junor.co.uk to confirm formal acceptance of this specification. All specifications issued will be deemed to be accepted if no communication to the contrary is received after 10 working days.
