**Material** Blown LD/LLDPE blend

**Treated** Not Corona treated  
**Packed** 1000 Pcs packed into a printed white outer corrugated dispenser carton

**MATERIAL:** Natural semi-transparent LDPE with side and or bottom welding.  
Typical applications include cold food packing and packing of general purpose none food items.

**LIMITATIONS OF USE:** LDPE bags are suitable for standard ambient packaging applications.  
**Not suitable** for microwave, retort, sterilization, irradiation or conventional cooking processes

**RECYCLED MATERIAL CONTENT:** No post-consumer recycled content

**COMPLIANCE WITH FOOD CONTACT LEGISLATION:** We certify that the above products are manufactured to comply with the following legal requirements and meet the minimum legal requirements in the country of manufacture:

- The **Regulation (EC) No. 1935/2004** of the European Parliament and of the Council of 27 October 2004 on materials and articles intended to come into contact with food
- The **Commission Regulation (EC) No. 10/2011** and all successive amendments including **2016/1416; 2017/752; 2018/79; 2018/213; 2018/831**
- **Regulation (EC) No. 2023/2006**
- The **Commission Regulation (EC) No. 1895/2005** of 18 November 2005 on the restriction of use of certain epoxy derivatives in materials and articles intended to come into contact with food
- The **Materials and Articles in Contact with Food (England) Regulations 2012**
- The **Food Safety and Hygiene (England) Regulations 2013**

**COMPLIANCE WITH MIGRATION TESTING:** The materials have been tested in accordance with the requirements of EC 10/2011 with regards to overall migration limits. Overall migration limits are within the specified limit of 10mg per 1 dm<sup>2</sup> for a cubic packaging containing 1kg of food to a migration of 60mg per kg of food.

**HEAVY METALS:** Our suppliers state that cadmium, chromium (hexavalent), mercury and lead are not intentionally added during product manufacture. Any incidental amounts would not exceed 100 ppm by weight.

While we have taken all reasonable steps to verify the accuracy of the information contained in this specification, no warranties are given to this effect and purchasers should determine for themselves whether products are suitable for their own specific use. The information contained in this specification is intended for the customer it has been issued to. It must not be reproduced, or the information contained therein passed on to any third party without the written consent of Scobie & Junor.

# Product Specification

**BADGE/BFDGE/NOGE:** Our suppliers state that epoxy resins used during manufacture are approved and comply with the Union List of Authorised Substances EC 10/2011 and EC 1895/2005

**ALLERGENS:** Our suppliers state that the current list of 14 known allergens are not intentionally added during product manufacture

**REACH/SVHC:** Our suppliers state that substances (as listed on the EU Candidate Lists) are not intentionally added during product manufacture and are regularly reviewed for compliance to include 15<sup>th</sup> January 2018 update.

The above-mentioned product is intended for direct food contact; however, it is the responsibility of the user to verify its suitability for his intended food application.

Customer Approval of Specification	
Please sign and return this specification to <b>technical@scobie-junor.co.uk</b> to confirm formal acceptance of this specification. All specifications issued will be deemed to be accepted if no communication to the contrary is received after 10 working days.
