**Product description** French Pattern Block Scraper

This high-quality scraper will remove nicks and scratches from a plastic chopping board quickly and easily, making it more hygienic and more durable.

Keep your plastic chopping boards sanitary and in immaculate condition with the Hygiplas heavy duty scraper. Designed to remove nicks and scratches from chopping boards, the scraper quickly restores your equipment back to superb condition, adding to their life and saving you money on replacements. Eradicating cracks also reduces the risk of boards harbouring bacteria, helping to eliminate cross contamination and keep your kitchen hygienic.
