

FireStone Electric Knife Sharpener

One-Step Knife Sharpener - commercial sharpener uses fired-ceramic stones, featuring powerful one-step precision sharpening.

- Sharpens both sides of the edge simultaneously at the correct angle with multiple diamond-enhanced ceramic counter-rotating wheels.
- Creates a burr-free, razor-sharp, hollow ground edge to hair-splitting sharpness in seconds. For all kinds of knives (including single bevel Asian style, serrated, filet and butcher)
- Perfect as either an alternative or complement to outside knife sharpening services. Easy to use. Recommended for large commercial kitchens like Hotels, Restaurants, Catering, Institutional & Chef's use
