#GLAZES

SCOBIES GLAZES

Simple blends of spices, herbs and natural flavours that when dusted onto meat, fish or vegetables, rehydrate to form a sauce like sticky glaze with glossy visual appeal. Use these as they are, or as a base for developing your own flavour profiles.

Popular with butchers, our two best selling glaze ranges are our **Traditional Glazes** and our **Mealmaker Naturals** (which contains No E Numbers, No Allergens and Nothing Artificial).

All blended in our UK Blending Plant.
